

THE INSTITUTIONAL REAL ESTATE LETTER ASIA PACIFIC

The Information Source for Real Estate Fiduciaries

In exchange for helping underwrite the work we do, your firm will benefit from a rich array of services designed to help you - **GET NOTICED. GET YOUR MESSAGE ACROSS. GET CONNECTED.**

1. BETTER POSITION YOUR FIRM IN THE MARKET

As a sponsor of *The Institutional Real Estate Letter – Asia Pacific* (our monthly publication that is a source for tax-exempt real estate investors), you'll expose prospective investors to your company at least 11 times each year while positioning your firm as one of the leaders in the institutional real estate marketplace.

2. BUILD STRONGER RELATIONSHIPS and LEARN

As a sponsor of *The Institutional Real Estate Letter – Asia Pacific*, you or representatives from your firm will have the opportunity to attend and participate in the following information-gathering and relationship-building events:

a. Sponsor Briefing — You'll join other publication sponsors to learn the results of our Annual Investor Survey. This half-day briefing — noon to 6 p.m., traditionally held in San Francisco — provides a pleasant social as well as informative atmosphere. Lunch and cocktails are compliments of Institutional Real Estate, Inc. We'll take a look at the forces that will be driving investment and asset management decisions in the year to come.

b. Editorial Advisory Board Meeting — You'll get a seat on the Fall Editorial Advisory Board for *The Institutional Real Estate Letter – Asia Pacific* (your ticket to an exclusive, three-day informational and relationship-building event). This annual event is held at a resort location, where you and your fellow publication sponsors will meet and engage in exclusive relationship building events with the leading plan sponsors and consultants you and your firm most need and want to reach. Each year, a significant portion of the agenda focuses on identifying and exploring current tax-exempt investor concerns, plans, fund offerings and the outlook for continued investment in the institutional real estate marketplace.

c. Opportunity — You'll have the opportunity to nominate and invite the potential investor and consultant candidates for each year's board meeting. This process is an inherent strength of the benefits package in that it allows each sponsor to help maintain its unique, high level of expertise and therefore, attendance. Your power to nominate within this high caliber group of candidates also supports your relationship building needs with those whom you respect.

3. RAISE YOUR FIRM'S PROFILE

As a sponsor, your firm will have multiple opportunities to raise its profile and become firmly positioned in the markets you most need to reach, while differentiating your firm and its offerings from those of your competitors.

(See section 3, part “a,” above.)

5. ENJOY AN INFORMATION ADVANTAGE

As a sponsor, you'll receive reliable, accurate, exclusive inside information on various aspects of the institutional real estate investment industry from a variety of sources. This system provides a user driven ALERT system and RATINGS system.

6. STIMULATE EDITORIAL EXPOSURE

As a sponsor, you and members of your staff will have the opportunity to build a much closer, more mutually beneficial working relationship with our talented staff of writers, contributors and editors. This not only can produce better coverage for your firm in all of our publications, but it also can create the opportunity for you to submit bylined articles for publication. In addition, you'll have the opportunity to contribute data for the many tables, charts and graphs that help illustrate these publications each month (earning you the appropriate source credit for your firm, of course). Assuming you take advantage of these opportunities, these extra exposures can and will help you position your firm even more strongly as a leader in this market.
